TAXES will be no afternoon session of the Chicago Board of Trade from December 24th to 31st, inclusive.

TEXAS supply of wheat at St. Paul, Duluth and Minneapolis is reported at 15,979,000 bushels, against 15,557,000 bushels one year ago.

TEXAS paid up dividend of 5 per cent. of the Cotton Compress Company has reduced the value of stock to 128¢ 1/2, from 131¢ 1/2. Cotton O. I. Trunks are quoted at 62¢ 1/2 to 63¢.

THE Memphis, New York, New Orleans and other Cotton Exchanges of the United States close today. The Memphis and other Merchants' Exchanges are also closed. At Liverpool the Cotton Exchange will remain closed until Tuesday next.

AT Liverpool wheat is steady, demand fair; holders offer moderately.

The receipts of wheat for the past week at Liverpool, including 19,000 American. Corn quiet but steady, demand poor; the receipts of American corn for the past three days were 62,900 tons.

NEW YORK flour receipts, 16,424 barrels; sales, 19,500 barrels; firm, with a fairly active trade. Wheat receipts, 83,550 bushels; spot lots a shade stronger. Corn spot a shade easier and dull, options nominal; receipts, 33,550 bushels; sales, 48,000 bushels. Oats a shade stronger, but quiet; receipts, 36,100.

The increase of American supplies tends to depress the market, but the disturbed conditions of affairs in the Eastern part of Europe counteracts this influence and strengthens the market."

A Liverpool leading weekly grain circular says: "The wheat market has regained its firmness and prices have recovered from their slight decline. There is renewed inquiry for wheat for future deliveries and for cargoes. The country markets are firm but not active—millers abstain from buying. At today's market there was a good attendance. Wheat was firm and a fair business was done at an advance of 1/2d. There was a good trade in flour. Some kinds showed an advance of 6d. Corn was firm and moderately active. Prices were unchanged."
